To our Industry Sponsors,

On behalf of the Michigan Dermatology Physician Assistants (MiDPA), it is our pleasure to welcome you to our Seventeenth Annual Conference.

The MiDPA Annual Conference is a one-day medical education event designed for physician assistants and nurse practitioners practicing in the field of dermatology. This CME approved event has brought outstanding local leaders and expert faculty together in fields of dermatology, rheumatology, allergy, and pediatrics to conduct pertinent educational sessions on disease topics such as atopic dermatitis, psoriasis, hair loss, dermoscopy, acne/rosacea and many other conditions seen in medical and cosmetic dermatology.

The 2020 MiDPA Annual Conference will be held on Saturday, April 25, 2020 at:

Somerset Inn - Troy
2601 West Big Beaver
Troy, Michigan 48084 248-643-7800

The MiDPA Annual Conference includes over 50 Dermatology Physician Assistants and Nurse Practitioners from Michigan and Ohio. The conference helps build relationships between providers, industry, faculty and the MiDPA board of directors.

Your presence and partnership will make it possible to offer the conference at minimal cost to our attendees and provide complete access to local dermatology PA and NP's. Supporting the conference showcases your products, your company and your support for the dermatology and physician assistant profession. If your company would like to assist the MiDPA in continuing this tradition we would welcome your sponsorship. Please note that the funds are not directly associated with the CME element of the activity.

For more information about the conference and sponsorship you can contact us at michdpa@gmail.com

We look forward to seeing you on April 25, 2020!

Sincerely,
Michigan Dermatology Physician Assistants Board of Directors
